

## Make Great Plains a part of your junior or senior year:

- Students attend Great Plains three hours each day, morning or afternoon. The remainder of the day is spent at the high school.
- Two-hour class options are available.
- Students who attend a high school located within the Great Plains district attend day time courses tuition-free.
- Credits are issued on the high school transcript.
- Great Plains offers Algebra II and Geometry for students who have class conflicts. (See your counselor).
- Application for classes begins in November for the next school year.
- See your high school counselor for additional information. You can also visit us at [www.greatplains.edu](http://www.greatplains.edu) or follow us on Facebook at [www.facebook.com/greatplainsotechnologycenter](http://www.facebook.com/greatplainsotechnologycenter)

## Earn College Credit NOW!

### How it works:

Earn valuable college credit for technical courses available through Western Oklahoma State College, OSU-Institute of Technology, and Cameron University for high school students enrolled in specific Great Plains Technology Center career majors. The college credit received applies towards an Associate of Applied Science (A.A.S.) degree.

**Only \$8  
per credit  
hour!**

At \$8 per credit hour, it is never too early for you to get ahead in your career field. Shorten the time needed to earn a college degree and save money on college tuition, textbooks and other college expenses.
