WELCOME

BY CHESLEY GRAHAM

Hey GPTC Students,
Welcome back! 2020 has been one for the record books, right? We all know this school year will be different for several reasons, but I hope we will intentionally seek the good that life still offers. I am excited to bring forth activities that will help you succeed in your career and life. More information about these activities will be forthcoming.

I am eager to return to the routine of facilitating resume workshops, conducting mock interviews via Zoom, completing ICAP Career plans, assisting with employment searches, and more. If you have questions about or need advice about employment readiness, you can reach me at 580 - 250 - 5684, cgraham@greatplains.edu, or you can come by my office in Student Services, Room 107.

I will close with this, change is unsettling, but as Denis Waitley said, "You must welcome change as rule, but not as your ruler." Here's to a year of positivity, health, and wellness!

FALL PART - TIME JOB FAIR , CLOTHING CLOSET

Need a new job? Need extra cash? If so, mark your calendar for our virtual Part-Time Job Fair on Thursday, October 7, from 9:30 am - 10:15 am and 1:45 pm - 2:30 pm. There will be many industries represented from food service, to retail, to healthcare, to early childhood education. You don't want to miss it! More information about the fair will follow in the coming weeks.

Are you ready for professional dress days? If not, arrange a time to visit our clothes closet that has something for everyone. There is no charge to you, the student, and you get to keep the clothes you pick! You may not need clothes for professional dress days, but you may need them for an in person or virtual interview. Again, there's no cost to you as the student. All that is required is to schedule a day and time directly with me or your Instructor.
